Riley County Health Department Campus

2101 Claflin Rd, Manhattan KS

Visit our website and complete your registration paperwork in advance for a speedy check in!

The CDC recommends a yearly vaccine as the first and most important step in protecting not only you, but also your loved ones against flu viruses. For more information on this event call the Health Department at (785) 776-4779; for additional flu related information visit [www.cdc.gov/flu/](http://www.cdc.gov/flu/)
