ADA PARATRANSIT ELIGIBILITY APPLICATION

PART A

Personal/Contact Information

The Flint Hills aTa Bus provides origin to destination Para-transit service to individuals who cannot use the regular Flint Hills aTa Bus Fixed Route service to make their trips. To be eligible for this service, the functional limitations of an individual's disability must prevent regular use of Flint Hills aTa Bus Fixed Route service. Architectural and environmental barriers such as distance, terrain or weather do not, standing alone, form a basis for eligibility. However, consideration may be given to the interaction of environmental conditions (terrain and weather) with the individual's impairment related condition. **Disability alone does not automatically qualify an individual for origin to destination bus service.**

To become eligible for service, applicants along with a qualified professional such as: physician (M.D. or D.O.), registered nurse, physical or occupational therapist, psychiatrist, psychologist, mental health counselor, vocational counselor, rehabilitation specialist, independent living skills trainer, or ophthalmologist must complete and submit PART A and PART B for review within 21 days of the day the applicant first rode the origins to destinations service.

Applicants will also need to complete an Authorization Form for Disclosure of Protected Health Information attached to Part B that will be submitted by the qualified professional.

Please Type or Print in Ink to complete application forms.
