## Riley County Political Signs

**NOW THEREFORE, BE IT RESOLVED BY** the Board of County Commissioners of

Riley County, Kansas, as follows:

1. K.S.A. 68-545 authorizes Riley County Public Works to remove all obstructions in the county right-of-way adjoining any county or township road, without notice to the owner of those obstructions.
2. For purposes of this Resolution, the term "Election Period" means any period beginning 45 days before and ending 2 days after an election that has been scheduled by the Riley County Clerk.
3. This Resolution applies within the unincorporated area of Riley County to all county and township roads.
4. Sight lines for public road intersections must be maintained so that drivers entering intersections can be aware of each other and make safe operating decisions.
5. Accordingly, for the purposes of this Resolution, Riley County establishes "Safety Zones," defined as follows: (a) the entire width of the county or township road right-of-way extending 300 feet in each direction from the edge of the paved or graveled surface of any intersecting county or township road; and (b) at all other locations, the area from the edge of the paved or graveled surface of the county or township road extending 10 feet into the right-of-way of that road. No political signs may be placed inside a "Safety Zone" during an "Election Period."
6. During an "Election Period," political signs may be placed on private property in accordance with K.S.A. 25-2711, provided they are not placed in a "Safety Zone."
7. The Riley County Public Works Department will enforce the terms of this Resolution in the following manner: (a) any signs placed inside a "Safety Zone" may be removed, relocated, or disposed of, without notice to the owner of the sign; (b) at any time, including during an "Election Period," signs that are otherwise compliant with this Resolution may be removed, relocated, or disposed of, without notice to the owner, to the extent necessary to protect sight lines and sight distances for public safety; and (c) signs that are otherwise compliant with this Resolution may be temporarily removed and replaced and/or relocated by Riley County Publics Works or township maintenance staff as necessary to maintain road rights-of-way.

**ADOPTED** this 30th day of June 2016.

# 2020 Placement of Political Signs

Political campaigns generally involve the use of signs; therefore, the City and County find it helpful to remind candidates and campaign organizations of sign regulations. Please distribute this information to your campaign workers.

**No sign permit is required, and there are no restrictions limiting the time period when political signs can be erected or removed. In addition, political signs are not subject to the Zoning District Regulations in which the signs are posted.**

Below is a general overview of requirements related to campaign signage. The most common violation of the regulations is the placement of signs in public right-of-ways.

- Similar to other types of signs, the Manhattan Zoning Regulations do not allow campaign signs to be located on public property, or within, or over a public right-of-way. However, campaign signs are permitted on private property.

To ensure that campaign signs are not placed in a public right-of-way along streets, the following guidelines must be followed:

- Where sidewalks exist along a street, signs should always be placed behind the sidewalk. Do not place signs between the sidewalk and the street.
- The curb of the street is not the edge of the public right-of-way. If there is no sidewalk along a portion of a street, signs should be placed at least 15 feet behind the street curb along smaller local streets, and at least 35 feet behind the street curb along Juliette Avenue, which is greater in width than most streets. Anderson Avenue varies in width and where no sidewalk exists; please call the City for assistance in determining placement of signage.
- Major arterial and collector streets such as Seth Child Road, Ft. Riley Boulevard, Tuttle Creek Boulevard, Scenic Drive, Kimball Avenue, US Highway 24, Claflin Road, N. Manhattan Avenue, and College Avenue usually require much greater setbacks and often include right-of-way fences, large drainage ditches, or other unusual conditions. Signs must be placed entirely outside of these areas of the public right-of-way. The City GIS web page, <http://gis.rileycountyks.gov/website/rileyco/default.htm>, and the County GIS web page <http://gis.rileycountyks.gov/>, are both excellent resources for determining the location of the edge of the right-of-way along these and other streets with unusual conditions. However, if you have questions about a particular area, please call the City at 785-587-2412 for assistance.
- Also, please take care to ensure that vehicular and pedestrian vision is not blocked near the intersection of two streets, a street and driveway, or a street and alley.

Please provide Steve Zilkie, Senior Planner with the City of Manhattan with a contact name, phone number and email address for the primary individual(s) responsible for placement of your campaign signage. In the event that a campaign sign is inadvertently placed in a public right-of-way, the City will need to be able to contact that person. You can reach Steve Zilkie at 785-587-2426.
