

**LOCAL HEALTH OFFICER ORDER NO. 6 ISSUED April 15, 2020  
REGARDING CHILD CARE FACILITIES**

On March 28, 2020 Governor Laura Kelly issued a “Stay Home” Executive Order No. 20-16 and on April 7, 2020 a “Mass Gathering” Executive Order No. 20-18 (both attached and incorporated herein by reference).

This Local Health Officer Order No. 6, Issued April 15, 2020, rescinds, supersedes and replaces my “Local Health Officer Order No. 4 Issued March 29, 2020, Regarding Child Care Facilities.”

**IT IS THEREFORE ORDERED**, all individuals, organizations and companies present in Riley County shall comply with Executive Orders No. 20-16 and 20-18 (attached) according to their terms.

To mitigate the spread of the Coronavirus (COVID-19) in Riley County, Kansas, and pursuant to the authority provided in K.S.A. 65 -119, K.S.A. 65-129b, K.S.A. 65-202 and other applicable law and regulations, this Order No. 6 is issued. In my capacity as the Local Health Officer, I am authorized and required to immediately exercise and maintain supervision over known or suspected cases of any infectious or contagious disease and to issue orders seeing that all such cases are properly handled and that the provisions of the Kansas public health laws regarding isolation, quarantine and disinfection are duly enforced.

As the Local Health Officer appointed by the Board of Health, I am authorized to prohibit public gatherings and take other measures necessary for the control of any and all infectious or contagious diseases.

In my capacity as the Riley County Local Health Officer, I have determined this Order No. 6 is necessary to control the potential spread of coronavirus (COVID-19) within Riley County, Kansas.

Executive Order No. 20-16 (attached) expressly recognizes I retain authority, as Local Health Officer, to issue or enforce isolation or quarantine orders.

Executive Order No. 20-18 (attached) expressly recognizes I retain authority, as Local Health Officer, to issue more restrictive orders on “mass gatherings” of more than 10 people.

This Order No.6 is not a “Stay Home” Order. And it is not “similar” to a “Stay Home” order. It is therefore not in conflict with Executive Order No. 20-16 (attached).

Each COVID-19-positive patient could infect other people, even though they do not show symptoms. Social Distancing strategies are effective when implemented early enough-- and are key to flattening the epidemic curve to prevent overwhelming our local health care system’s ability to care for the number of residents who might develop severe symptoms.

With full community cooperation, this proactive public health Order No.6 may minimize the impact of COVID-19 on our Riley County community.

**IT IS FURTHER ORDERED**, the following actions regarding Child Care Facilities shall be

taken immediately, and this Order No. 6 rescinds, supersedes and replaces my First, Second, Third and Fourth Orders previously issued, with the exception of any continued prohibitions or restrictions within this Order No. 6.

**Section One: Child Care Facilities** Childcare facilities shall operate only under the following conditions:

- a. Childcare shall be carried out in stable groups of 10 or fewer (“stable” means the same 10 or fewer children are in the same group each day);
- b. Children shall not move from one stable group to another;
- c. If more than one stable group of children is cared for at one facility, each stable group shall be in a separate room. Different stable groups shall not mix with one another; and
- d. Childcare providers shall remain solely with one stable group of children.
- c. Every child shall be screened for their temperature upon arrival and again just before leaving the facility. The temperature check cannot be taken within four (4) hours after a fever reducing medication was given.
- f. The child care facility shall present, upon request of the Local Health Officer, the completed screening form for each child in the facility. Failure to comply shall result in immediate closure of the facility by the Local Health Officer.

**Section Two.** Pursuant to K.S.A. 65-1 29b, any sheriff, deputy sheriff or other law enforcement officer of the state or any political subdivision within Riley County, Kansas is hereby ordered to assist in the execution or enforcement of this Order No.6.

**Section Three.** This Order No. 6 is effective at 12:01 a.m. on April 20, 2020 and shall remain in effect until 12:01 a.m. on Saturday, May 2, 2020, unless first amended, superseded, or rescinded

Any person violating any provision of this order or failing to comply with any of the above requirements shall be fined, upon conviction, up to \$100 for each offense, pursuant to K.S.A. 65-127.

**This Order shall remain in effect from this date until revoked, in writing, by the Riley County Local Health Officer or the Board of Riley County Commissioners, sitting as the Board of Health.**

**SO ORDERED, this 15th day of April, 2020.**

## **EXECUTIVE ORDER NO. 20-16**

Establishing a statewide “stay home” order in conjunction with the Kansas Essential Function Framework for COVID-19 response efforts

**WHEREAS**, securing the health, safety, and economic well-being of residents of the State of Kansas is this Administration’s top priority;

**WHEREAS**, Kansas is facing a crisis—the pandemic and public health emergency of COVID-19—resulting in illness, quarantines, school closures, and temporary closure of businesses resulting in lost wages and financial hardship to Kansas citizens;

**WHEREAS**, the United States Department of Health and Human Services declared a public health emergency for COVID-19 beginning January 27, 2020, with now more than 105,000 cases of the illness and more than 1,700 deaths as a result of the illness across the United States;

**WHEREAS**, the World Health Organization declared a pandemic on March 11, 2020;

**WHEREAS**, a State of Disaster Emergency was proclaimed for the State of Kansas on March 12, 2020;

**WHEREAS**, on March 13, 2020, the President of the United States declared the ongoing COVID-19 a pandemic of sufficient severity and magnitude to warrant an emergency declaration for all states, tribes, territories, and the District of Columbia pursuant to Section 501 (b) of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5207 (the "Stafford Act");

**WHEREAS**, on March 13, 2020, the President of the United States pursuant to Sections 201 and 301 of the National Emergencies Act, 50 U.S.C. § 1601, et seq. and consistent with Section 1135 of the Social Security Act, as amended (42 U.S.C. § 1320b-5), declared a national emergency that the COVID-19 outbreak in the United States constitutes a national emergency beginning March 1, 2020;

**WHEREAS**, as of this date, there have been 202 reported positive cases of COVID-19 in Kansas spread among 31 counties;

**WHEREAS**, in order to mitigate the spread of COVID-19, health officials in several Kansas counties have issued differing “stay home” orders directing citizens to remain in their homes except to conduct essential activities;

**WHEREAS**, the continued spread of COVID-19 throughout Kansas and the potential for further spread in the days and weeks ahead threatens local health care systems with overload of hospital

beds, personal protective equipment, testing and treatment supplies, and other critical resources for responding to the COVID-19 pandemic;

**WHEREAS**, in order to create uniformity in the state of Kansas, a state-wide order is necessary;

**WHEREAS**, consistent exemptions for certain essential functions is critical to the ability of government entities and private enterprises to work together to slow the spread of COVID-19 and mitigate its effects;

**WHEREAS**, seeking shelter in our homes is shown to be the most effective way to reduce the spread of this infectious disease and Kansas residents will be most safe in their homes;

**WHEREAS**, where it becomes necessary for local health officials to limit citizens' ability to leave their homes, it remains critical to the COVID-19 pandemic response that a uniform "stay home" order and framework for essential functions exists to secure the safety and protection of the civilian population; and

**WHEREAS**, in these challenging times this Administration will do whatever it can to avoid immediate dangers to the health, safety, and welfare of Kansans, including providing guidance and support for local authorities who are making difficult and important decisions to protect the health and safety of their populations, as well as certainty to the broader population that essential functions will not be interrupted.

**NOW, THEREFORE**, pursuant to the authority vested in me as Governor of the State of Kansas, including the authority granted me by K.S.A 48-924 and K.S.A 48-925, in order to slow the spread of COVID-19 I hereby direct and order the following:

1. To preserve the public health and safety for all Kansans, and to ensure the healthcare system is capable of serving all citizens in need, especially those at high risk and vulnerable to COVID-19, all individuals within the state of Kansas are directed to stay in their homes or residences unless performing an essential activity. An activity is essential if the purpose of the activity is one of the following:
  - a. Obtaining food, medicine, and other household necessities;
  - b. Performing, or going to or from work at a business or organization to perform, an essential function as identified in the Kansas Essential Function Framework ("KEFF") as laid out in paragraph 9 below;
  - c. Seeking medical care;
  - d. Caring for children (including daycare or childcare centers), family members, or pets, or caring for a vulnerable person in another location;
  - e. Engaging in an outdoor activity, provided individuals maintain a distance of six feet from one another and abide by the 10-person limitation on gathering size.

- f. Nothing in this order or any other executive order, including Executive Order 20-14, prevents families from gathering privately.
2. Nothing in this order shall restrict, limit, or supersede the Secretary of Health and Environment's authority to make isolation, quarantine, or other orders restricting movement as necessary to respond to escalating or worsening conditions in any local jurisdiction.
3. Nothing in this order shall prohibit the conduct of business, government, or other operations or activities through telework, telecommunications, or other work-from-home capabilities that allow compliance with the requirements of paragraph 1. Travel to and from work to pick up equipment or supplies needed for telework or other work-from-home capabilities is allowed so long as employees and employers follow appropriate safety protocols, including maintaining a six-foot distance between individuals and following other directives regarding social distancing, hygiene, and other efforts to slow the spread of COVID-19
4. This order should be read in conjunction with previous executive orders responding to the COVID-19 pandemic. Any contrary provision in previous executive orders, including Executive Order 20-15 ("Establishing the Kansas Essential Functions Framework for COVID-19 response efforts"), is superseded by this order.
5. While this order is in effect it supersedes all local "stay home" or similar orders prohibiting citizens from leaving their homes in order to slow the spread of COVID-19 and no such order shall continue in force or effect. Any local "stay home" or similar orders currently in effect that expire after the date this order expires or is rescinded may resume in force and effect after this order expires or is rescinded. While this order is in effect no local jurisdiction shall issue or enforce any more or less restrictive "stay home" or similar orders. Local authorities retain any authority to issue or enforce isolation or quarantine orders.
6. KEFF is a framework for identifying and continuing essential functions that must remain operational to maintain critical services and infrastructure during the COVID-19 pandemic.
7. KEFF was developed with reference to United States Department of Homeland Security critical function guidelines established for pandemic and other disaster response efforts.
8. KEFF focuses on four functional areas: *Connect*, *Distribute*, *Manage*, and *Supply*. KEFF organizes each area into a taxonomy so that each function can be easily referenced.
9. The KEFF essential functions listed below are exempt from the prohibitions in this order, subject to the following provisions:
  - a. No individual leaving their home in order perform an activity or function allowed under this order shall be required to carry or present any letter, identification card, or other paper proving that they are allowed to leave their home. Law enforcement officers enforcing this order should use their discretion and consider the totality of the circumstances as they determine appropriate enforcement action.

- b. No prior approval is required for individuals or entities to perform essential functions listed in the KEFF below. Individuals or entities who are uncertain whether they perform functions exempted from the prohibitions of this order may email [KEFF@ks.gov](mailto:KEFF@ks.gov) to determine whether their functions are deemed essential.
- c. All individuals performing essential functions authorized by this order must—to the extent possible without significant disruption to essential functions—use telework capabilities to avoid meeting in person; and any essential functions being performed on-site or in-person must—to the extent possible without significant disruption to essential functions—follow appropriate safety protocols, including maintaining a six-foot distance between individuals and following other directives regarding social distancing, hygiene, and other efforts to slow the spread of COVID-19.

to limit the spread of COVID-19 and rescinding Executive Order 20-14

**WHEREAS**, securing the health, safety, and economic well-being of residents of the State of Kansas is this Administration's top priority;

**WHEREAS**, Kansas is facing a crisis—the pandemic and public health emergency of COVID-19—resulting in illness, quarantines, school closures, and temporary closure of businesses resulting in lost wages and financial hardship to Kansas citizens;

**WHEREAS**, the United States Departments of Health and Human Services declared a public health emergency for COVID-19 beginning January 27, 2020, with now more than 380,000 cases of the illness and more than 11,900 deaths as a result of the illness across the United States;
