**LOCAL HEALTH OFFICER ORDER NO. 15 ISSUED July 17, 2020

To mitigate the spread of the Coronavirus (COVID-19) in Riley County, Kansas, and pursuant to the authority provided in K.S.A. 65-119, K.S.A. 65-129b, K.S.A. 65-202 and other applicable laws and regulations, this Order No. 15 is issued. In my capacity as the Local Health Officer, I am authorized and required to immediately exercise and maintain supervision over known or suspected cases of any infectious or contagious disease and to issue orders seeing that all such cases are properly handled and that the provisions of the Kansas public health laws regarding isolation, quarantine and disinfection are duly enforced.

As the Local Health Officer appointed by the Board of Health, I am duly authorized to prohibit public gatherings and take other measures necessary for the control of any and all infectious or contagious diseases.

In my capacity as the Riley County Local Health Officer, I have determined this Order No. 15 is necessary to control the potential spread of coronavirus (COVID-19) within Riley County, Kansas and to supplement all valid orders of the Governor regarding such potential spread.

IT IS THEREFORE ORDERED the following actions shall be taken immediately, and this Order No.15 supersedes my Orders previously issued, with the exception of any continued prohibitions or restrictions ordered herein, and this Order No. 15 supplements all valid orders of the Governor.

Actions taken so far have demonstrated some success in flattening the epidemic curve to prevent overwhelming our local health care system's ability to care for the number of residents who might develop severe symptoms. I still recommend you wear a mask both inside a public space and when you are outdoors if you cannot maintain 6 feet of social distance from people who are not members of your household. I still recommend you use proper hand hygiene, such as washing your hands with soap and water, or using hand sanitizer containing at least 60% alcohol.
