

Please indicate the proposed location of the test hole(s). Note – may need to change based on findings. To the best of your ability, show distance from property lines, and use arrows to indicate direction and percent grade of slope. Show location of any of the following within 100 ft of hole(s), if known.

- Existing Wastewater System
- Existing and proposed structures
- Existing and proposed wells
- Water lines
- Ponds, lakes, rivers, wetlands, etc.
- Easements, driveways, and road
